

Kinmac currently has outstanding employees share options which confer the holders the right to subscribe for 2,670,000 shares in Kinmac. Upon completion of the acquisition of the Sale Shares and the Minority Sale Shares, STIC will be interested in approximately 99.37% of the existing issued share capital of Kinmac, or approximately 94.95% of the issued share capital of Kinmac if all the outstanding employees share options are exercised. Subscription of new Shares

On 11 June 2009, the Company entered into the Subscription Agreement with the Vendors and the Minority Shareholders pursuant to which the Vendors and the Minority Shareholders will apply the net proceeds from their sale of the Sale Shares and the Minority Sale Shares to subscribe for an aggregate of 101,633,954 new Shares of the Company at HK\$2.92 per Share.

The Subscription Shares represent approximately 5.98% of the existing issued share capital of the Company and approximately 5.64% of the issued share capital of the Company as enlarged by the Subscription.

The Proposed Acquisition will constitute a discloseable transaction for the Company under Chapter 14 of the Listing Rules and is subject to the notification and announcement requirements set out in Rule 14.33 of the Listing Rules. The Subscription is conditional upon, among others, the Stock Exchange granting the listing of, and permission to deal in, the Subscription Shares. **As the Proposed Acquisition and the Subscription are subject to the satisfaction of a number of conditions precedent, which may or may not be fulfilled, the transactions may or may not materialise, shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.**

Reference is made to the announcement of the Company dated 1 June 2009 in relation to the Proposed Acquisition and the Subscription. The Board is pleased to announce that the Group has entered into the Sale and Purchase Agreement with the Vendors in respect of the Proposed Acquisition, and with the Vendors and the Minority Shareholders in respect of the Subscription.

THE PROPOSED ACQUISITION

Date of the Sale and Purchase Agreement: 11 June 2009

Parties: (1) STIC; and
(2) the Vendors.

The Vendors comprise 18 individual shareholders and corporate shareholders of Kinmac and include its senior management. Kinmac is interested in the entire issued share capital of Kinmac Holdings, which is in turn interested in 35% of the registered capital of the JV Co, an indirect non-wholly owned subsidiary of the Company. Kinmac is therefore a connected person of the Company for the purposes of Chapter 14A of the Listing Rules. As none of the Vendors is interested in 30% or more of the issued share capital of Kinmac, the Vendors are

not connected persons of the Company for the purposes of the Listing Rules. To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, (i) the Vendors (and the ultimate beneficial owner of the Vendors in the case where the Vendor is a company) are independent of the Company and its connected persons; and (ii) the Vendors are independent of each other and are not holding the 77.17% interest in Kinmac in one-block.

Assets to be acquired

Pursuant to the Sale and Purchase Agreement, the Vendors agreed to sell their interests in an aggregate of 44,239,980 Sale Shares, representing approximately 77.17% of the existing issued share capital of Kinmac to STIC at a consideration of NT\$22.00 per Sale Share.

Conditions precedent

Completion of the Proposed Acquisition shall be conditional upon, among others, the fulfilment (or waiver, as the case may be) of the following conditions:

- (a) the compliance of the Company of the requirements of the Listing Rules;
- (b) if applicable, the obtaining of all consents by STIC, the Vendors or any member of Kinmac from government authority and third parties which are necessary in connection with the execution and performance of the Sale and Purchase Agreement and the transactions contemplated therein;
- (c) no legal action or proceeding having been commenced by or before any governmental agency against either STIC or any Vendor, seeking to restrain or materially and adversely alter the transactions contemplated by the Sale and Purchase Agreement;
- (d) there have been no breach of any obligations, undertakings, representations and warranties in the Sale and Purchase Agreement;
- (e) there is no change between the date of the Sale and Purchase Agreement and Completion that, in the reasonable opinion of STIC, is likely to give rise to a material adverse effect on the financial condition, business, prospects, results of operations, properties or assets of Kinmac and its subsidiaries;
- (f) those Minority Shareholders who held employee stock option in Kinmac and have agreed to sell their interests, including their option shares, to STIC have completed the exercise of their employee stock options;
- (g) STIC having notified the Vendors that it is satisfied with the results of its due diligence review and investigation of Kinmac and its subsidiaries; and

Completion of the Proposed Acquisition will take place on the seventh Business Day after the day on which the last conditions precedent are fulfilled or waived by the Company, but in any case not later than 31 December 2009 or such other date as the Company and the Vendors may agree in writing.

Consideration

The consideration for the acquisition of the Sale Shares shall be NT\$22.00 per Sale Share, or an aggregate consideration of NT\$973,279,560 (equivalent to approximately HK\$231,733,229), which will be satisfied in full in cash by the Company at Completion.

The consideration for the acquisition of the Sale Shares was determined after arm's length negotiation between the Company and the Vendors with reference to a number of factors, including, among others, the unaudited net asset value of Kinmac and its subsidiaries in its entirety of NT\$853,377,421 (equivalent to approximately HK\$203,185,100) as at 30 April 2009, the synergies to be derived by the Company after the successful business integration of Kinmac and its subsidiaries as well as other factors set out in the paragraph headed "Information on Kinmac" and "Reasons for the Proposed Acquisition and the Subscription" below. The Directors (including the independent non-executive Directors) are of the view that the consideration for the acquisition of the Sale Shares is fair and reasonable and in the interests of the Company and the Shareholders as a whole.

As described in more details in the paragraph headed "Acquisition of the Minority Sale Shares" below, the Company will also acquire from the Minority Shareholders the Minority Sale Shares at the same consideration of NT\$22.00 per Minority Sale Share. On the basis of the 12,729,736 Minority Sale Shares that the Minority Shareholders have already confirmed to be sold to STIC, the additional consideration for the acquisition of the Minority Sale Shares would be NT\$280,054,192 (equivalent to approximately HK\$66,679,569).

The total consideration payable by the Company for the acquisition of the Sale Shares and the Minority Sale Shares will be NT\$1,253,333,752 (equivalent to approximately HK\$298,412,798), which will be financed by the Company's internal resources.

Acquisition of the Minority Sale Shares

Pursuant to the terms of the Memorandum of Understanding, the Vendors have agreed to procure the Minority Shareholders to also sell their interests in Kinmac to STIC on the same terms and conditions as the Sale and Purchase Agreement. The Company has on the date of this announcement, obtained consents to sell from Minority Shareholders holding an aggregate of approximately 22.20% of the existing issued share capital of Kinmac. STIC will acquire the Minority Sale Shares from the Minority Shareholders and the consideration will be satisfied in full in cash by the Company. It is expected that completion of the acquisition of the Minority Sale Shares will take place at the same time with the completion of the Sale and Purchase Agreement.

SUBSCRIPTION

On 11 June 2009, the Company, the Vendors and the Minority Shareholders entered into the Subscription Agreement pursuant to which the Vendors and the Minority Shareholders will apply the proceeds from the sale of the Sale Shares and the Minority Sale Shares, less expenses, to subscribe for new Shares in the Company at the subscription price of HK\$2.92 per Share.

Subscription Shares

Based on the subscription price of HK\$2.92 per new Share and the net proceeds of the acquisition of the Sale Shares and the Minority Sale Shares of approximately HK\$296,771,146, an aggregate of 101,633,954 new Shares, representing approximately 5.98% of the existing issued share capital of the Company, will be issued pursuant to the Subscription. The Subscription Shares represents approximately 5.64% of the issued share capital of the Company as enlarged by the Subscription. Each Vendor and Minority Shareholder will obtain such number of shares proportionate to his shareholding in Kinmac.

Subscription Price

The Subscription Price of HK\$2.92 per Share was fixed on the date of the Memorandum of Understanding and was arrived at after arm's length negotiations between the Vendors and the Company after having considered the recent market price of the Shares.

The Subscription Price represents:

- (i) a premium of approximately 0.34% to the closing price of HK\$2.910 per Share as quoted on the Stock Exchange on 1 June 2009, the date of the Memorandum of Understanding;
- (ii) a premium of approximately 1.96% to the average closing price of HK\$2.864 per Share as quoted on the Stock Exchange for the last 5 trading days up to and including 1 June 2009;
- (iii) a discount of approximately 5.2% to the closing price of HK\$3.08 per Share as quoted on the Stock Exchange on 11 June 2009, the date of the Subscription Agreement; and
- (iv) a discount of approximately 5.7% to the average closing price of HK\$3.098 per Share as quoted on the Stock Exchange for the last five trading days up to and including 11 June 2009.

Given that the Subscription Price was at a premium to the then 5-day average closing prices of the Shares when it was fixed, the Directors (including the independent non-executive Directors) consider that the Subscription Price is fair and reasonable under the current market conditions, and that the Subscription is in the interest of the Company and the Shareholders as a whole.

The Subscription Shares have a nominal value of approximately HK\$10,163,395 and a market value of HK\$313,032,578, based on the closing price of HK\$3.08 per Share on 11 June 2009, the date of the Subscription Agreement. After deducting expenses relating to the Proposed Acquisition and the Subscription, the net price per Subscription Share is approximately HK\$2.92.

downstream business in both the PRC and abroad in the photovoltaic industry. The Directors (including the independent non-executive Directors) consider that the Proposed Acquisition was being conducted on normal commercial terms after arm's length negotiations, the terms of which are fair and reasonable and in the interests of the Company and the Shareholders as a whole. As the Vendors and the Minority Shareholders will apply the proceeds from their disposal of their interests in Kinmac to subscribe for new Shares in the Company, the Directors consider that it is an appropriate mean to increase the capital and shareholder base of the Company.

As the consideration for the Proposed Acquisition will be applied by the Vendors, less expenses and taxes, to subscribe for the Subscription Shares, save for expenses in relation to the Proposed Acquisition and the Subscription, there would not be any change to the cash position of the Company as a result of the Proposed Acquisition and Subscription.
