

For Main Board listed issuer

should be given:

price per share or Monthly Return. Pursuant to rule 13.25B, whichever is the later. Pursuant to rule 13.25A, the relevant dates of issue. Each category will need to be disclosed together with the monthly Return. For example, multiple issues of shares in one category must be aggregated and disclosed as separate categories. As under versions of 2 categories, these must be disclosed as 2 separate categories. For the listed issuer which has not had share capital (including for such purposes any share capital) disclosed in a Monthly Return or Next Day Business Day, should be construed as "closing business day", should be construed as "closing business day", should be construed as "closing business day".
