Sino Light is an investment holding company incorporated in the BVI with limited liability. As at the date of this announcement, Sino Light is interested in the entire issued share capital of You Xin, an investment holding company incorporated in Hong Kong with limited liability, which in turn owns the entire issued share capital of HPT.

HPT is a company established in the PRC with limited liability and is principally engaged in the business of manufacture of silicon solar cells. Silicon solar cell is an important component of solar modules which are used to form a functional solar power generation system. On the other hand, silicon solar wafer, being one of the Group's major products, is an essential component for the manufacture of silicon solar cells. Silicon solar cells produced by HPT are mainly sold to module manufacturers in the PRC which in turn sell their products mainly to system installation projects.

The unaudited consolidated net book value of Sino Light as at 30 June 2010 was approximately RMB120.99 million.

- (a) Upon the establishment of HPT, HPT was owned as to 53% by Mr. Tan's controlled corporation, as to 22% by the Fourth Vendor, as to 20% by the Third Vendor and as to 5% by the Fifth Vendor.
- (b) Mr. Tan, the ultimate beneficial owner of the First Vendor, has through his controlled corporation, contributed an aggregate of RMB37.1 million to HPT for the 53% equity interests in HPT, and the Fourth Vendor has contributed an aggregate of RMB15.4 million to HPT for the 22% equity interests in HPT.
- (c) In December 2009, the Sino Light Group has undergone a corporate reorganisation whereby Sino Light holds 100% of the issued shares of You Xin which in turn holds 100% of the equity interests of HPT. Sino Light, being the ultimate holding company of HPT, was owned as to 53% by the First Vendor, as to 22% by the Fourth Vendor, as to 20% by the Third Vendor and as to 5% by the Fifth Vendor after such reorganisation.
- (d) On 29 December 2009, the Fourth Vendor transferred shares of Sino Light, representing approximately 11% of the then issued shares of Sino Light, to the Second Vendor at a cash consideration of HK\$8,778,000. The shareholding of the Fourth Vendor was reduced to 11% after such share sales.
- (e) On 30 December 2009, the Sixth Vendor and the Seventh Vendor subscribed new shares of Sino Light, respectively representing approximately 26.56% and 3.41% of the enlarged issued shares of Sino Light, at the subscription price of US\$7,790,000 and US\$1,000,000, respectively. On the same date, the First Vendor transferred shares of Sino Light, representing approximately 4.98% of the issued shares of Sino Light, to the

Sixth Vendor at a cash consideration of US\$1,460,000. After the subscriptions and the share sales, Sino Light was owned as to approximately 32.14% by the First Vendor, as to 7.7% by the Second Vendor, as to 14% by the Third Vendor, as to 7.7% by the Fourth Vendor, as to 3.5% by the Fifth Vendor, as to 31.54% by the Sixth Vendor and as to 3.41% by the Seventh Vendor.

- (f) On 12 April 2010, the Sixth Vendor transferred (i) shares of Sino Light to the Second Vendor, representing approximately 7.85% of the issued shares of Sino Light, at a cash consideration of US\$2,300,000 and (ii) shares of Sino Light to the Fifth Vendor, representing approximately 1.5% of the issued shares of Sino Light, at a cash consideration of US\$439,883. Set out below is the shareholding structure of the Sino Light Group as at the date of this announcement:

The Group is a leading manufacturer of monocrystalline silicon solar ingots and wafers in the PRC. Its products are used for the manufacture of photovoltaic cells which are important components for solar energy generation systems. The businesses of the Group include (i) trading and manufacturing of monocrystalline and multicrystalline silicon solar ingots and wafers; (ii) processing of silicon solar ingots and wafers; (iii) upgrading and trading of polysilicon; (iv) production and sales of monocrystalline and multicrystalline photovoltaic modules; and (v) design and installation of photovoltaic systems.

Upon completion of the Acquisition, Sino Light, You Xin and HPT will become subsidiaries of the Company and enable the Group to accelerate its intended downstream business developments in the photovoltaic industry. The Acquisition will enable the Group to secure a reliable source of silicon solar cells for its module business and improve the operational efficiency of the Group. Moreover, the Acquisition is expected to bring synergy between the new business and the Group's existing business of wafer and ingot manufacturing, which will benefit the Group in the long run. The Directors (excluding the independent non-executive Directors who will express their view after receiving advice from the independent financial adviser) are of the view that the Acquisition is in line with the Group's plan in developing its downstream business and will enable the Group to further diversify its source of revenue and broaden its opportunities to cooperate with well-established enterprises along the photovoltaic value chain. Taking into account the foregoing, the Directors (excluding the independent non-executive Directors who will express their view after receiving advice from the independent financial adviser) consider that the terms of the Second S&P Agreement are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole.

As the applicable percentage ratios, where appropriate, calculated with reference to Rule 14.07 of the Listing Rules, exceed 25% but are less than 100%, the Acquisition constitutes major transaction for the Company under the Listing Rules and is therefore subject to the announcement and shareholders' approval requirements under Chapter 14 of the Listing Rules.

To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, (i) since the First Vendor is wholly owned by Mr. Tan, the First Vendor is an associate of Mr. Tan and therefore is a connected person of the Company under the Listing Rules; and (ii) since the Fourth Vendor is beneficially owned as to 65% by companies wholly owned by Mr. Chong, the Fourth Vendor is an associate of Mr. Chong and therefore is also a connected person of the Company under the Listing Rules. Accordingly, the Acquisition and the transactions contemplated thereunder also constitute connected transactions for the Company under the Listing Rules and are subject to approval by the Independent Shareholders at the EGM.

The Vendors, Mr. Tan, their respective associates and parties acting in concert with any one of them and those who are involved in or interested in the Acquisition will abstain from voting at the EGM in respect of the resolutions for approving the Acquisition, the issue of the Convertible Bonds and the allotment and issue of the Conversion Shares.

An Independent Board Committee comprising Mr. Wong Wing Kuen, Albert, Ms. Fu Shuangye, Dr. Lin Wen and Mr. Zhang Chun, the independent non-executive Directors, has been formed to advise the Independent Shareholders on the Acquisition, the issue of the Convertible Bonds and the allotment and issue of the Conversion Shares. The two non-executive Directors, namely, Mr. Chiao Ping Hai and Mr. Chong, have not been appointed as members of the Independent Board Committee as (i) Mr. Chiao Stephan Sun-Hai, who is beneficially interested in approximately 37.5% of the issued share capital of the Third Vendor, is the elder brother of Mr. Chiao Ping Hai, Mr. Chiao Ping Hai is an associate of Mr. Chiao Stephan Sun-Hai and is considered to have an interest in the Acquisition; and (ii) Mr. Chong is, through his wholly owned companies, interested in 65% of the issued share capital of the Fourth Vendor and is accordingly regarded as a party acting in concert with the Fourth Vendor. The Company has appointed First Shanghai Capital Limited as the independent financial adviser to advise the Independent Board Committee and the Independent Shareholders in relation to the Acquisition, the issue of the Convertible Bonds and the allotment and issue of the Conversion Shares in accordance with the Listing Rules.
